

Planetarium Early Childhood Education Internship

This internship is designed for those looking to work in early childhood informal education. Families are always looking for activities to do with their kids. Interns will help create and conduct programming for our weekly “Early Explorers” program geared for ages 2-5. Interns will also help create other early education programs.

Other things to know about this internship:

- Interns will help in the following programs: Early Explorers, summer day camp, making activities for special events and the creation of an early childhood planetarium show
- Interns must have a strong sense of communication
- Must have a vibrant, bubbly personality while working with young children
- Previous experience working with young children or equivalent secondary education
- Must be able to work independently and improvise when necessary to provide quality programming
- Weekend, holiday, and occasional evening availability is required

Please email Candice Jordan, Planetarium Administrator, candicej@cityofgastonia.com, a resume and cover letter to be considered for this internship.
